

Good People Everywhere

Who are the good people in your community?

Close your eyes and think of all the good people in your life. Think of your friends, families, neighbors and teachers. Now, think of other people who help you, like store clerks, the mail carrier, and the farmers who grow the food you eat. In the image on the next page draw yourself or write your name in the center of the circle. Write down the names of the people around and inside the circle. Decorate your circle and put it in a special place to help you remember the good people in your life.
